If Women Only Knew

What a Heap of Happiness It Would Bring to Norway Homes

Hard to do housework with an aching back.
 Brings you hours of misery at leisure or at work.
 If women only knew the cause—that Backache pains often come from weak kidneys,
 'Twould save much needless woe.
 Doan's Kidney Pills are for weak kidneys. Ask your neighbor.

Read what a Norway citizen says:
 Mrs. S. B. Stewart, 14 Tucker St., says: "When I used Doan's Kidney Pills a year ago, they did me a world of good. I felt justified in recommending them to anyone suffering from kidney trouble. Just after I recovered from the 'flu,' my kidneys began to give me trouble. The 'flu' seemed to have left them in a weak and disordered condition. I was sore and lame all over, especially across my back. I could hardly turn over in bed, I was in such misery. I read about Doan's Kidney Pills and began using them. They soon rid me of the trouble. My back stopped aching and my kidneys became regulated."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Stewart had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 8-9

Outside Capital

Vs.

Inside Capital

"OUTSIDE CAPITAL" will never develop Maine water powers in time. In these days when investment money is in such immediate demand, people in other states are investing more and more at home—to assure their own prosperity.

Especially are the people of states which have undeveloped water powers investing at home—to assure their own industrial future.

"INSIDE capital"—Maine capital—will develop the water powers of the Pine Tree State. Our own people will put their own savings to work in their own cause.

For surely, with the coming of developed electricity comes the prosperity of Maine. Industries follow power and population follows industries.

That Maine may not lose a possible factory or a possible future citizen, Central Maine Power Company is developing power and is interconnecting power plants.

It is financing this development, not with "outside capital" but with "inside capital"—through the sale of its preferred stock to the people of Maine.

More than 5000 Maine people have joined with us in this financing.

If you, too, believe in developing Maine water powers in time to attract industries, why not send the coupon and learn more about Central Maine Power Company 7% Preferred Stock as an investment for Maine people? The price is \$107.50 a share, the yield 6 1/2% net.

Run Down System

Mrs. Edna Van Patten of 744 State street, Schenectady, N. Y., says: "For some time past I found myself gradually getting run down. I became subject to pains and troubles all over and realized I must get a good medicine and get it quickly. There were pains in my chest and stomach, I couldn't rest nights, would fill with gas after eating, and was run down generally. A friend told me about Goldine, and I got some Goldine No. 1, the tonic, nerve and stomachic. That medicine changed my condition wonderfully, for I am now eating and sleeping fine, the gas is gone and there are no more pains and distress. I can give Goldine credit for this."

Many of the City stores are placing the above advertisement in the various newspapers in their various locations and at the same time telling the buying public how they are selling far below cost. We could do this and still be making a go of it. But we will not tell you things that are in our mind impossible. We can not run our store on no profit, neither will we say that we do things that we do not do. If we offer you a suit for \$27.50, \$30.00, \$35.00 or \$37.50 you may rest assured that we are getting a reasonable profit. If the working man should tell you that he was getting \$2.50 a day and that it cost him \$3.50 a day to live and that he was saving about \$3.00 a week, about the first thing that you would think is what? The workingman must have a fair and reasonable wage to live on and we must have a fair and reasonable profit to exist on. Think this over carefully.

LOSS OF APPETITE

Pimples and Other Eruptions—Mental and Physical Weariness.

They are all common at this time of year, and are all indications that the blood is wanting in the power to defend the body against infectious and contagious diseases, because they are all indications that it needs cleansing, enriching and vitalizing.

It is important to give them attention—it is in fact, hazardous to neglect them.

Get Hood's Sarsaparilla today and begin taking it at once, regularly after eating and if convenient in a little hot water.

Remember, this medicine has given satisfaction to three generations, for the blood, stomach, liver and kidneys. It builds up the whole system. It "makes food taste good."

For a gentle laxative or an active cathartic, take Hood's Pills. Your druggist knows how good they are and recommends them.

YOUNG GIRL FINDS RELIEF

Wants to Tell Other Girls All About It

Evansville, Ind.—"I am eighteen years old and have been bothered for several months with irregular periods. Every month my back would ache and I always had a cold and felt drowsy and sleepy. I work in a millinery shop and I went to work every day, but felt stupid and would have some cramps. I had seen Lydia E. Pinkham's Vegetable Compound and had heard several women talk of it, so mother got me some. This Vegetable Compound is wonderful and it helped me very much, so that during my periods I am not now sick or drowsy. I have told many girls about your medicine and would be glad to help anyone who is troubled with similar ailments. You may use my testimonial as you like."—STELLA LINXWILER, 6 Second St., Evansville, Indiana.

Some girls lead lives of luxury, while others toil for their livelihood, but all are subject to the same physical laws and suffer in proportion to their violation. When such symptoms develop as irregularities, headaches, backaches, bearing-down sensations and "the blues," girls should profit by Miss Linxwiler's experience and give Lydia E. Pinkham's Vegetable Compound a trial.

ESSEX

It Now Holds This Price Advantage

Essex quality quite naturally creates an expectancy of high price. Compared on every hand to costly cars it would be strange if many did not fall into that error.

Thus actual price comparisons give Essex true value in sharp relief.

How many of the cars in the Essex price range do you ever embrace in the same thought with it in regard to fineness, ability and distinction?

And do not the cars that you consider in the Essex quality class invariably cost hundreds of dollars more?

In reaching a standard by which to understand Essex values you must consider such price contrasts, as well as facts bearing on ability and dependence. Such examination will convince you also of the unusual value the Essex represents.

FRYEBURG

Charles Theodore Ladd, a prominent citizen, Fryeburg, died at his home, 100 Main street, Fryeburg, Me., on Wednesday, March 3, 1921, at the age of 84 years. He was born in Cincinnati, Ohio, Dec. 6, 1847, and who died at the Maine General Hospital, Portland, Feb. 22, after a most painful illness of several months, having been in the hospital, six weeks. With the exception of a few years in business in Boston in his early life, Mr. Ladd has been closely identified with Fryeburg.

Since 1875 Mr. Ladd has been engaged in business in Fryeburg, conducting a fine up-to-date drug store on Main street. Mr. Ladd was a pleasant genial man and had hosts of friends. He was a most successful shrewd business man and retired several years ago from business. Mr. Ladd was very fond of outdoor life and was fond of hunting, fishing and motoring.

On Nov. 29, 1887, Mr. Ladd was married to Sarah F. Kimball of Buxton, who survives him.

Funeral services were held, Friday afternoon, Feb. 25, from the Church of the New Jerusalem, Rev. Mr. Dale officiating, also the beautiful impressive Masonic funeral service was rendered by Pythias Lodge, F. and A. M., No. 104, McDonald, W. M. Mr. Ladd was also a member of Pequot Lodge, 34, K. P. Many beautiful floral tributes, surrounded the casket.

All places of business were closed during the funeral hour. The following business associates acted as bearers: John W. Hutchins, Geo. O. Warren, Thomas W. Charles, Ernest O. Jewett, Herbert Holdson, funeral director.

Sherman Haggood of Portland, a cousin of the late C. T. Ladd, was in town, Friday, to attend Mr. Ladd's funeral.

The Warren brothers, Edward, Charlton and William of East Fryeburg, who were cousins of the late Charles Ladd, with their wives attended the funeral of Mr. Ladd, Friday afternoon.

SOUTH WATERFORD

Grange Dance

Feb. 18th was a lovely moonlight night which brought the crowd in autos and sleighs to the dance in Grange Hall. At 8:30 Frank Pike selected his partner for the grand march, followed by many out of town couples. Bridgton, Norway, Harrison and other nearby towns were represented. At intermission an oyster stew was served, this should have special mention as it was entertaining to many and was delicious. Willis Leonard and wife are certainly onto their job when it comes to making and serving oyster stews.

The order was made up with part contras and the usual fox trots, one-steps, etc. The Grange Singing Orchestra furnished music and their late numbers seemed to please the dancers. About 1 o'clock the good-night was played, all saying it was a good time, and the largest crowd since the mid-summer ball.

"I FEEL LIKE A BRAND NEW MAN"

This Is What George Johnson Says After Suffering Four Years—Tanlac Restores Health

Still another well-known Vermont man relates his remarkable experience with Tanlac, George W. Johnson, 7 Roberts Ave., Rutland, Vt., bookkeeper for the Hugh Duffy Coal Co., declares that a few bottles of the medicine relieved him of stomach trouble and he has gained ten pounds in weight.

"For four years before I began taking Tanlac I had suffered from a bad form of stomach trouble. After every meal I had a disagreeable, heavy feeling in the pit of my stomach and at times I just had to fight for breath. I was in pain nearly all the time, could get but little sleep and would get so dizzy I had to hold to something to keep from falling. I lost so much weight and was so weak I could scarcely get around."

"One night I happened to read a statement about Tanlac and decided to try it. In a short while I could eat anything I wanted and now I am simply feeling like a new man. My nerves are in splendid condition. I sleep all night long and get up in the mornings feeling good and rested and never have a sign of dizziness. I have gained ten pounds, feel good all the time and can do my work with the greatest ease."

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; E. E. Pinkham, East Waterford; W. H. Brown, East Stoneham, and Heald, Stearns & Kimball, Lovell.
